

CANADIAN HANOVERIAN SOCIETY

MEMBERSHIP APPLICATION/INFORMATION UPDATE

There are two local breeders' clubs in Canada and in accordance with the regulations of the Hannoveraner Verband a Regular member (Hanoverian Breeder) of the Verband must also become a Regular member of a local breeders' club. Members in Ontario, Quebec and the Maritime provinces will join the Hanoverian Breeders' Club of Eastern Canada and members in Manitoba and west will join the Hanoverian Breeding Club of Western Canada. The Canadian Hanoverian Society is a district club within the Verband's structure and members joining the Eastern or Western club automatically become members of the CHS. Regular members must own one or more mares entered into one of the divisions of the Hanoverian studbook or own a licensed stallion. All others are welcome to join either club as an Associate member (Hanoverian Partner) and support the Hanoverian breed through the efforts of the clubs and be informed of and participate in club activities. An Associate member has no voting rights. Membership fees are 40 euros per year for Regular members and \$25.00 per year for Associate members. After completing the membership form for the Hannoveraner Verband those applying as a Regular member should add this amount to their payment to the Verband. Both Regular members and Associate members should mail or email this form to the address below, those applying as an Associate member should also include their cheque for \$25.00 payable to either the Hanoverian Breeders' Club of Eastern Canada or the Hanoverian Breeding Club of Western Canada. In subsequent years the Verband will invoice Regular members at the beginning of each year.

I hereby apply for membership in (please check):

Hanoverian Breeders' Club of Eastern Canada as a Regular Member Associate Member
 Hanoverian Breeding Club of Western Canada as a Regular Member Associate Member

Name: _____

Address: _____
