

Canadian Hanoverian Society & Rhineland Studbook

Dear valued breeders of the Hanoverian and Rhineland horse,

Wishing everyone a healthy, prosperous, and successful breeding season in 2022!

Each new year brings the excitement of planning your combinations for the upcoming breeding season. In keeping with this tradition, the Canadian Hanoverian Society & Rhineland Studbook is once again pleased to announce the much coveted, 2022 Stallion Service Auction!

Plans are well underway to confirm the stallions participating in this year's Stallion Service Auction. Each of these boys have been carefully selected, allowing us to offer you stallions who are not just successful in the breeding shed, but also in the competition ring. Moreover, most are noteworthy for the wonderful amateur-friendly disposition they may pass on to their offspring.

We are sure this year's choices will not disappoint! On offer, you will find various Hanoverian jumper stallions, some of whom have competed up to 1.60 m, and are enrolled in the prestigious Hanoverian Jumper Development Program. Also, you will find dressage sires currently in training or have competed up to the Grand Prix level. For the breeder savvy individual, we offer interesting dam lines and proven successful sires for the North American market.

Bidding starts **February 4, 2022 at 8:00 am**, closing **February 13, 2022 at 11:59 pm**.

Please watch for our upcoming media blasts on the Canadian Hanoverian Society's Facebook page where we will share valuable information about these beautiful stallions.

Our stallion advertising will focus on highlighting what each stallion brings to the breeding table. We will share pedigree, notable breeding and competition results, along with a brief statement of what lines the stallion crosses well with. We will also include conformation photos, competition photos, and licensing highlights.

The Annual Stallion Service Auction has proven to be a wonderful fund-raising opportunity, acting as a lifeline for the various programs and awards we offer to support our membership and promotion of the Hanoverian Horse. We hope you will participate. Your generous support in this important event, is important to us, and is very much appreciated.

Regards,

Chris Simpson
2022 Stallion Service Auction Coordinator
